

DD/ST# 4372-66

25 AUG 1966

MEMORANDUM FOR: Director of Security
THROUGH: Deputy Director for Science & Technology
SUBJECT: Permission to Present Informal SECRET Report

25X1A

1. Permission is requested for [REDACTED] Chemistry and Chemical Warfare Branch, General Sciences Division, Office of Scientific Intelligence, to give an informal SECRET report of approximately 20 minutes duration to the Committee on Civil Defense of the American Chemical Society. On two previous occasions, [REDACTED] has addressed this Committee at the SECRET level and it has been established that his identification with the Agency will be in no way embarrassing to the Agency.

2. An outline of [REDACTED] talk, which will be on the subject of chemical and biological warfare intelligence, is attached (Attachment A). The talk is scheduled to be given on [REDACTED] Suite B of the Americana Hotel, New York City, New York. [REDACTED] has obtained the assurance of [REDACTED], Executive Secretary of the American Chemical Society, that the meeting will be closed to all but Committee members. The names of the Committee members who will be in attendance at the presentation are listed in Attachment B and have been provided to the Office of Security for security clearance verification.
